

**FOR RELEASE AFTER March 31, 2011**

Cucamonga School District  
Kindergarten Registration  
2011-2012

All elementary schools in the Cucamonga School District (Cucamonga Elementary School, Los Amigos Elementary School and THE ONTARIO CENTER SCHOOL) are now accepting kindergarten registration for the 2011-2012 school year.

Student health examinations are required before school entry. A physical health examination given after March 1, 2011, will meet both the Cucamonga School District requirement for kindergarten and the California State requirement for first grade. Physical exams given within one year of kindergarten entry, but before March 1, 2011, will meet the kindergarten requirement only. A second physical exam would then be required for entry into first grade in 2012 (State requirement).

All children entering kindergarten in August 2011 must be 5 years old on or before December 2, 2011. Parents will need to bring a birth certificate or legal proof of age (baptismal certificate, passport, immigration certificate), immunization records, physical exam report, and proof of residence. All documents must be original. Please contact your home school for kindergarten registration hours.

All elementary schools in the Cucamonga School District provide a Preppie Kindergarten program, a developmental pre-primary class for children who turn five by December 2, 2011. The first of a two-year Kindergarten program, Preppie is designed to build a solid foundation for success in school. For more information about the Preppie Kindergarten program, please contact your home school.
