

FOR RELEASE AFTER APRIL 13, 2009

Cucamonga School District
Kindergarten Registration
2009-2010

All elementary schools in the Cucamonga School District (Cucamonga Elementary School, Los Amigos Elementary School and THE ONTARIO CENTER SCHOOL) are now accepting kindergarten registration for the 2009-2010 school year.

Student health examinations are required before school entry. A physical health examination given after March 1, 2009, will meet both the Cucamonga School District requirement for kindergarten and the California State requirement for first grade. Physical exams given within one year of kindergarten entry, but before March 1, 2009, will meet the kindergarten requirement only. A second physical exam would then be required for entry into first grade in 2010 (State requirement).

All children entering kindergarten in August 2009 must be 5 years old on or before December 2, 2009. Parents will need to bring a birth certificate or legal proof of age (baptismal certificate, passport, immigration certificate), immunization records, physical exam report, and proof of residence. All documents must be original. Please contact your home school for kindergarten registration hours.

Los Amigos Elementary School provides a Preppie Kindergarten program, a developmental pre-primary class for children who turn five by December 2, 2009. The first of a two-year Kindergarten program, Preppie is designed to build a solid foundation for success in school. For more information about the Preppie Kindergarten program, please contact Los Amigos Elementary School.
